ARTICLE 10 - REDUCTION IN FORCE PROCEDURE

SECTION A

The parties recognize that the Board may from time to time eliminate administrative positions and the parties recognize that such a decision is within the discretion and prerogative of the Board of Education.

SECTION B

In the event that a decision is made, the Board agrees to make reasonable efforts to retain the affected administrator(s) with the Region 10 school system as follows:

1. If there exists another equivalent or subordinate position in an area represented by the Association and such position is vacant on the same or lower school level and the affected administrator is certified and qualified to fill such available position, he/she shall be assigned to said position (firstly, on the same level, and, secondly, on a lower level).
2. If a reduction in staff requires the release of an administrator, a tenured administrator will bump a non-tenured administrator if qualified for that position. If two administrators are tenured then the more qualified is entitled to the position. Where qualifications are equal as reasonably determined by the Superintendent, the most senior administrator will be retained. Note: the term qualified above includes the administrators' objective evaluations, experiences as a teacher and/or administrator, any special skills, training, education background and certification.
3. If an administrator is relieved of his/her duties because of a reduction in staff or elimination of position and another administrative position is not otherwise available as aforesaid, he/she will be offered a teaching position subject to the Reduction in Force provision of the Region 10 Education Association's contract with the Board of Education of Regional School District 10.
4. In the event that an administrator cannot be assigned to a position following the elimination of his/her position under either step 1 or 2 above; the administrator shall be entitled to recall for a maximum period of two (2) years commencing with the last day of employment, regardless of whether he or she accepts a teaching position pursuant to step 3 above. During such layoff period, the administrator shall be entitled to another equivalent or subordinate position on the same school level covered by the Region 10 Administrators' Association which becomes open. The administrator shall also be given preference over other candidates with relatively equal qualifications for positions that may become available at another school level. It is the obligation of the individual administrator to keep the Superintendent fully apprised of his/her current mailing address. Any obligation the Board shall have under this Article shall be fully discharged by transmitting a letter by certified mail to the last address of the laid off administrator appearing on current records maintained by the Superintendent notifying said administrator of a position and granting said administrator a period of time as set forth in the notification letter to apply for said position.

5. In the event that an administrator is displaced to an administrative classification with a salary lower than that which he or she previously enjoyed for reasons unrelated to performance, or to a teaching position for reasons unrelated to performance, such administrator's salary shall remain at the level applicable prior to displacement for a period of one hundred and twenty (120) calendar days.
6. An administrator to be laid off may not refuse assignment, in any available administrative position at the same school level, as set forth in step 1 above, or any available administrative position at a different school level. If any such position is available at the time of layoff, said administrator must accept such position or forfeit completely all layoff and recall rights. The inverse shall be true with respect to recall from layoff and the Board shall not have any obligation to offer a laid off administrator recall to any available position more than one time. Before such release takes place, the administrator shall be eligible for a teaching position in conformity with the reduction-in-force language in the Agreement with Region 10 Teachers Association.
7. Under no circumstances shall the Board be required to promote or transfer any administrator in the event of a reduction in staff or to continue unchanged the salary level of any administrator who is transferred or reassigned to another position in the school system or to upgrade apart-time administrative position to a greater or full-time position. An administrator terminated due to reduction in force, with at least one year's administrative service in Region 10, will have his/her health insurance coverage maintained as an active employee for a period not to exceed six months or until the administrator is re-employed, whichever comes sooner.
8. Any and all termination of employment of members of the bargaining unit shall take place solely and exclusively under applicable provisions of Section 10-151 of the Connecticut General Statutes. No such termination shall in any way be the subject of a grievance proceeding under the grievance procedure set forth in this contract.
9. Level shall be defined as follows:
 - a. High School Principal
 - b. Middle School Principal
 - c. Elementary Principal
 - d. High School Associate Principal
 - e. Middle School Associate Principal
 - f. Dean of Students
 - g. Student Services Supervisor
 - h. Assistant Director of Information Services

ARTICLE 11 - JUST CAUSE

No administrator will be disciplined without just cause.

1. For the purposes of this Article the lowest level of discipline for which just cause applies is a written reprimand.
2. Termination and nonrenewal proceedings will not be subject to this provision or to the grievance and arbitration provisions of this Agreement.
