

Burlington Residents,

The Burlington, CT America 250 Committee is an appointed town committee of residents tasked with promoting and celebrating the 250th birthday of our great nation. We have recently formed, and are seeking grants and donations to fund our committee. Between now and late 2026, we plan to host a series of educational and social events for Burlington residents, but we need your help to do so.

We are asking for a donation of any amount be made to "The America 250 Committee Fund," and be sent to:

The America 250 Committee
39 West Chippens Hill Road
Burlington, CT 06013

Your donations will be put entirely towards the programs we plan to execute. All of our events will be in Burlington, and none of our funds will go towards any other town or to any other state programs. Here are some of the events we are planning:

Guided Burlington Center Cemetery tours
Hikes and lectures to Tory's Den
2026 Sequel Quilt to the 1976 4th Grade Bicentennial Quilt
A reading of The Declaration of Independence at 6:00pm July 9th, 2026
America 250 booth at Tavern Day
America 250 float in Memorial Day parade
A 2026 America 250 parade
Other town-wide celebrations
And more...

We hope you find the 250th birthday of The United States of America and its Declaration of Independence to be a worthy cause to contribute to, and we appreciate any and all donations you make.

Thanks for your consideration,

J.P. Parente
