ROOF COMPLIANCE CERTIFICATION**

The Undersigned Roofing Contractor hereby certifies that the installation described in the Building Permit, complies with section R905 of the 2021 International Residential Code or Chapter 15 of the 2021 International Building Code portion of the 2022 State Building Code for residential or commercial projects and the manufacturers installation requirements for work performed at:

_____, Burlington, CT 06013
Address of work

In addition, the Roofing Contractor hereby attests that the information contained herein is accurate and true. This information is given under oath and is made subject to all the penalties of law for false statements.

R109.1.5 OTHER INSPECTIONS (Roofing)

As a Back up to facilitate time, if The Building Official cannot be available when needed for an inspection pictures will be accepted. The pictures need to be specific to the following: Plywood seams taped, ice and water, barrier chosen, flashing NEW OR OLD, drip edge and rake edge. The pictures must represent the house in question.

If the Building Official finds ANY discrepancies in Code violations, the Contractor will do what is necessary to remedy the problem. This could mean removing the work you just completed.
